Ganowel™ RG

Reishi Gano Capsules

In contemporary world, high pressured work demands are resulting in weakening of human immune system and causing Diabetes, Orthritis and Cancer etc., There is empirical evidence brought to light by scientists, doctors, pharmacologists, biotechnologists, that the beneficial treatment of these ailments can be obtained by consumption of RG, alone or in combination with GL as a dietary supplement for a reasonable period of time on daily basis.

It has been widely used by millions of people in China, Japan, Korea from many centuries and now it has been accepted in European countries and United States of America as well for its medicinal values.

Ganowel™ RG: It is a pure, organic dietary suppliment, provides high quality polysaccharides and triterpenoids with anti-cancerous, immunomodulating, cardiovascular improving, respiratory improving, anti-hepatotoxic, antinociceptive, anti neoplastic properties. It does not cause any side effects. This is an ideal health product for all adult people.

BENEFITS

- Strengthens the natural healing ability of the body by improving the body's immune system, and eliminating viruses, bacteria and other toxins.
- Increases the effect of oxygen absorbed by the blood up to 1.5 times, promotes proper cell metabolism and prevents tissue degeneration.
- Improves blood circulation by inhibiting blood platelet aggregation and regulates the body organs to function properly.
- Activates the nucleus of body cells, which is responsible for directing their growth, metabolism, reproduction and functioning.

- Rejuvenates body tissues and beautifies the skin.
